

APPENDIX A: Acknowledgements

This Current Conditions Report (CCR) will be a valuable resource for the next stage of the *City Plan* process. It is one of several that will be used to develop *City Plan* Goals and Policies. It is the product of hard work and collaboration involving many members of the South Bend community. All of the following individuals have contributed to the successful completion of this report. The stakeholders identified in this list are individuals that each Civic Alliance Panel met with in person to discuss South Bend's strengths and challenges and their views are reflected in the CCR.
